

Sunday afternoon,
March 22, 1981

Dear Miss Gardner:

As a member of the Advisory Board of NORTHEASTERN PENNSYLVANIA, you will, I'm sure, be interested in having a complete set of the press and/or public announcements that relate to NORTHEASTERN PENNSYLVANIA that were made in the period August, 1979--February, 1981.

Shortly after my return to New York on March 9, 1981, you'll never guess what was delivered to my mail box: a letter from Louise McCue that had been forwarded to me from 80 Cemetery Street in Carbondale. What a surprise! I had no idea I would be receiving a letter from Louise McCue.

Thank you for letting me read the letter from Louise McCue (that letter is herein enclosed). It's a very informative letter, and portions of it will be quoted in the Curtis Valley School section of the May 20, 1981 issue (Volume II, Number 4) of NORTHEASTERN PENNSYLVANIA.

Thank you again for the Louisa Griswold comforter. Donald and I both treasure it. The workmanship is of the highest quality and it is in such good condition. It is truly a family treasure, and we are both feeling very honored that you and Gertrude have entrusted us with this comforter.

Now that Spring has officially arrived, I refuse to admit that it is cold outside. The daffodils that are blooming in the flower pots on my window sill tell me that Winter is over. It's a glorious feeling.

Sincerely yours,

S. Robert Powell
